With our Language Arts series, the students are exposed to high frequency and robust vocabulary words. Vocabulary is critical to reading success because it supports comprehension and communication.

High Frequency Words for this week are: supplies, crop, earn, provide, committee, experiments

Robust Vocabulary Words for this week are: innovation, edible, brew, snug, biography

Quick Tip: To expose your child to these words, one suggestion may include placing word cards around the house and having the student read and define the words as they find them.

In our literacy centers, we place the words on index cards with the definitions on the back. The students read the cards and work with partners to become more familiar with the words.

We will write paragraphs about various pictures. Writing

Trait: (Ideas) Conventions (using the correct grammar, punctuation, and spelling). We will also work on describing. The students will also work on using effective word choices in their writing-such as rhyming words and colorful words to clarify description and revise word choices.
